Mr. Charles Hall  
Pres. of planning Commission  
Fort Wayne, Indiana

Dear Sir:

In reading last week's Journal Gazette and again yesterday morning, in regards to Spy Run Ave., Extended, I was surprised to learn that your city officials do not know the city of Fort Wayne any better than they do.

For 26 years we have lived on the now, Spy Run Ave., Extended, previously Swanson Blvd and Penn Place. We have changed our address in each case to comply with these changes and we have had it.

All legal papers, all real estate, all business, S.S. and Government connections have had to be changed.

In the first place Spy Run Ave. does not run past Johnnie Apple Seed Park, if any change is needed (which I doubt very much) Parnell should be the street to be changed, it runs directly past the Park.

This city is known for continually changing street's names and widening streets unnecessarily.

I suggest the people involved in this sort of thing learn the city of Fort Wayne better and let the good things lay and devote their attention to things that really need to be done.

We lived here before Spy Run was extended, we saw the city cut down beautiful trees and tear up nature's handi-work and put the boulevard through. Who knows what you are going to do next?

I do not want an address that would require a business envelope and we can not afford to wait on the change of address on all our personal papers. So, please, leave Spy Run Ave., as it is.

Sincerely,

Mrs. George D. White

Mr. Gary Baeten:

His letter is a request to have a name change of a street in Fort Wayne. The street is from the old Centlivre Brewery, along the St. Joe River, to Sarall where the street deadends to the entrance to the Johnny Appleseed Grave site.

The proposed name would be "Johnny Appleseed Memorial Parkway." This street has had various names in the past.

This request is being made by the Northeast Kiwanis Club of Fort Wayne

see attached sheet.

Glen R. Bickel  
Lt. Gov. Ind. Dist.  
Johnny Appleseed Div.

The Northeast Kiviani of Fort Wayne has planted 400 trees in Ft. Wayne the past 10 years. The first trees planted were flowering crab apple trees at the Johnny Appleseed gravesite. Flowering crab apple trees have been planted along H. Joe River by I + M, between State Street bridge and the brewery, North Side High School, across from Shree Rivers Apt. by the Nickel Plate R.R., American Red Cross Bldg., Northrup High School, Northwood Jr. High, and along the road that has been suggested for a name change.

The Northeast Kiviani plans to continue planting flowering crab apple trees along this road from the brewery to Parnell as a continuing project to add to the beauty of Ft. Wayne.

I + M Elect. Co have approved of the tree planting. Jack Stark has given the approval to plant the trees near the power lines.
